Over the years, we've observed that the Students who score around 40-50% (or above) in the PTS, they easily manage to score in the 90s in the CBSE Math Exam of XII.

This list is just an indicative of scores of a few of our students in the PLEASURE TEST SERIES for 2016-17 session in the PTS-01 to PTS-20. Students like Akshay Poonia and Bharat Sharma improved their scores in PTS-11 to PTS-20 (and hence got scores in the 90s in CBSE).

Students like Vinay, Bharat cleared NDA - SSB. Also Manoj, Akshay, Vinay, Bharat, Akriti, Shivangi cleared IIT-JEE Main (along with 11 others who got scores in 80s in CBSE Math).

Besides, 10 students got scores in the 80s in CBSE Math Exam of XII. This test series was conducted for a batch of 38 students, out of which 24 got marks above 80% in Math.
